

This collection is regarded as a benchmark where bathroom fitting design is concerned, not only because of its physical and design qualities but also because of its efficiency and functionality. Its timeless designs form a perfect combination for the most modern of bathroom spaces.

Designed by
Ramon Benedito

A Barcelona industrial designer with a world-wide reputation – and a worldwide prize-winner. Over the 20 years he has worked with Roca he has employed a design criteria that can be summed up in a single sentence: rigour as a method.
