

Rubik

Ref. 816843001

Wall-mounted tumbler holder and glass (Can be installed with screws or adhesive)

Installation type: Wall-mounted

Dimensions

Length: 55 mm.

Width: 81 mm.

Height: 136 mm.

A contemporary collection that meets all the needs of any space regardless of its dimensions. Besides the installation with screws, Rubik allows an adhesive fixation system that prevents drilling and guarantees high resistance (up to 5 kg. of static load).
